

*** Price Valid from February 2010 only ***

TRANSPONDERS FOR SOUTH EASTERN MOTOCROSS

As reported in last months TSM all South Eastern Centre motocross events will be electronically timed and lap scored for the coming 2009 season.

To ensure you are ready for this new era of motocross please apply for your personal transponder now and gain the very generous discounts being offered by your Centre's Management Team.

You can check the normal price against the South Eastern offer by visiting the AMB website on www.AMB-IT.com. The price will increase month by month, so you are advised to order early to save yourself some money.

Please be aware that there will NOT be an option to race in the South East without a transponder. Each unit comes with a three year guarantee and is transferable if you wish to sell it due to retirement etc.

<u>Personal AMB Transponder Application</u>	
Name	
Club	
Status	Expert / Junior / Sidecar
