Dear

RUSPER RE-RUN – 21 AUGUST 2005

Unfortunately we are writing to inform you that the above meeting has had to be abandoned due to unforeseen circumstances.

Basically the “next door neighbour” at the circuit has planned an event with over 200 guests on the date we had arranged our “Re-Run”. After speaking with the gentleman concerned on Monday night this event was planned around our three original dates, which were set out earlier in the year.

Due to various reasons the clash of dates did not materialise until today (1 August) and after nearly 18 years working alongside local residents the last thing we want is to jeopardise the future of motocross at this popular circuit.

Within hours of realising the clash we had consulted with the landowner and the neighbour concerned and hopefully, although we lose a meeting, the future is still bright for the Stammerham Farm circuit.

The Twickenham Club would like to formally apologise for any inconvenience this may cause you.

Our next event on 11 September is not affected in any way. All the local residents do have this date on their original yearly list and we look forward to a successful meeting.

We hope you realise that, as a club, we regret having to cancel any meetings. It was not an easy decision to make but we are sure you will understand the reasons why we came to this decision.

Yours sincerely

Les Batten – Motocross Secretary
For and on behalf of the Twickenham & District Motorcycle Club Ltd
